Re: Surety Estimates:  
Big Cottonwood Mine, ACT 035/003  
Smokey Joe Mine

Dear Mr. Cahoon:

The 30 day period for public comment has passed on both of the above listed operations, during which no comments were received.

We have prepared surety estimates for both operations and are submitting them for your comments. Also included are two (2) contract forms for your completion if both sureties are acceptable. If possible, return the contracts to us prior to July 20th which is our next scheduled Board meeting. Please note that the date on Page 1 and Page 2 of the contract is the date that the second party signs the document, in this case, the chairman of our Board. To be accurate, it is best to leave this date for us to type in when Mr. Stewart sets his signature to the contract.

Sincerely,

DIVISION OF OIL, GAS, AND MINING

BRIAN W. BUCK  
ENGINEERING GEOLOGIST
